

Hello everyone,

Hope you are all keeping safe and well 😊

This week, I thought class 1 and 2 could have a go at writing some new words to a song! Have a listen to 'In my garden' and try learning the verses, then, it's your turn..... think of some other minibeasts you can find and add them to the song. Did you notice that the name of the minibeasts in the song start with the same sound as them, like Alf the ant and Will the woodlouse? This is called alliteration. Can you do that with your minibeasts? You could make it even better by doing the same with the way they move, for example, Alf the ant could amble along and Will could waddle!!

If you manage to go out in the garden or for a walk, you could try looking for minibeasts and discovering where they like to live. You could also draw some pictures of your minibeasts and make them into cartoon characters!

For class 3 and 4, your challenge follows on from last week with the 'Cup Song' - how did you get on? I'm still trying to master the part where you have to turn and tap the bottom then swap hands!!

This week, listen to 'Hall of the Mountain King' and try making up your own cup moves to go with it. <https://www.bbc.co.uk/programmes/articles/1rpRf1Q7cK683F9LlwqTb5x/in-the-hall-of-the-mountain-king-by-edvard-grieg>

To remember the rhythm, try saying 'we are nasty little trolls, little trolls, little trolls. We are nasty little trolls and we are after you!' You don't need to match every syllable with your cup song, but it needs to fit in with the beat. You can tap, clap, turn, slide etc Try teaching it to someone else in your family or record it and send it to me to put on the website - maybe your friends could try it too!

Like class 1 and 2, you could always get creative and draw a picture of your troll or whatever the music makes you think of - let your imagination run wild!!

Take care, keep smiling and remember to have fun!

Mrs Lane x
