

Infant Challenge!

This week I have a song that will get you moving! The link will take you to a whole heap of new songs, but I would like you to try 'Moving to the music' which is in the 'Get moving' section. It is a great song to get you on your feet and having some fun, but it will also see if you can keep quiet too, as you miss out words from each verse (like 'Heads, shoulders, knees and toes'!)

See if you can challenge your family too – who is the best at remembering which words to miss?!

Junior Challenge!

This week I thought I would challenge you to learn the cup song! There are lots of tutorials around, but here is one that I found

Try teaching it to your family and see if you can pass the cups from one to another! I'm going to try and learn it too!

If you want to challenge yourself further, here are some alternatives

Next week we are going to create our own cup song moves to a piece of music we were looking at last term.....I wonder if you can guess what it is!

FOR EVERYONE!

A couple of months ago we put a lot of songs from 'Singup!' onto the website. They have now put all of the songs, activities and more into one place on their website, so check out the link below for lots of musical fun!!

If you think of anything you think other children might like to try, let me know and we'll see if we can get everyone singing and dancing!!

Have fun and keeeeeeeeeeeeeeeeeeeeeeeep singing!
