Eggcellent!

Well done to all the children who decorated eggs for the Easter competition this week. We received some amazingly creative ideas, inspired by the theme of 'Harrowbarrow School'. Chocolate eggs were awarded to one winner from each year group and certificates were given out to all those who entered. They really were eggstraordinarily good and eggspertly eggsecuted. Thank you to the PSA for providing the prizes.

Pupil Progress Day

Thank you to all parents and carers who signed up to a parent consultation. We were delighted to be able to hold these face-to-face so that the children's books could be shared at the same time. Unfortunately, staff absence meant we had to postpone consultations for Class 3 and Class 2; these will be rescheduled for a date early next term. Thank you for your understanding in this matter.

Charity Fundraising

This week we welcomed Helen from Gables Cats and Dogs Home to present an award to Kira Clare. Kira has just completed a sponsored 100 mile run through a culmination of her daily mile challenges. Thank you to all those who sponsored her; overall she raised £500 for Gables. Helen brought retired greyhound Peugeot to show the children how Gables help to rehome unwanted pets.

Thank you to all those who were able to attend the Ukrainian refugee charity fundraiser yesterday afternoon. We hope you enjoyed the children's singing and the collection raised a fantastic £259.77 which we will send to UNICEF's Ukrainian refugee fund.

Finally, despite this being the most challenging term of the pandemic so far, due to staff absenteeism, we feel we have managed to sustain our recovery curriculum priorities. Here are a few examples of the deep learning experiences children have had the opportunity to engage in. Class 4 demonstrated their understanding of the journey of a river by creating this 3D model in geography. In art and design technology, Class 3 studied and then made Greek urns, including clay coil pots.

Dates for your diary

25.4.22 - First day of summer term
27.4.22 - First swimming lesson for Class 3
