Farm & Country Fun

On Wednesday, Class 3 went to Wadebridge County Showground to learn about farming and animals. We also learned about plants and how they are produced. Tractors and combine harvesters were also there alongside where we made cheese, bird food and made our very own milk. My favourite thing was stroking the animals. By Cavan

On Wednesday, Class 3 went to the County Showground to learn about farming animals. We made Mills Cheese and the farmers were talking to us about what they do when they have cut all the plants. They also taught us how to make bird food and how good we are to remember our vegetables. By Alana

Thank you to all those who donated to our Comic Relief fundraiser. Overall, you raised £104.72 towards the many good causes the charity supports.

World Book Day

On Monday 6th March, our school had World Book Day. This is when the pupils come to school dressed up as characters from their favourite book or series of books. We had a variety of different characters at our school that day such as: Murder Most Unladylike, Hazel Wong, A Series Of Unfortunate Events, Violet Baudelaire and, from the Adams Family, Wednesday. At the end of the day we switched teachers and the teacher that we got read us a book that they had a connection to. Over all the day was wonderful.

Mars Day

On Tuesday 7th March, schools across the country celebrated Mars Day. On this day people did activities to do with Mars. Things like building our own Mars rovers out of different materials. Part of that day was going in a space dome. In this dome we experienced the sky at night. We looked at the stars and constellations. After the dome, different classes did different things. Class 4 made Mars rovers with Lego and K'Nex. Class 1 made planets and they dressed up. They made headbands with their favourite planet. They sang a planet song and looked at information from a PowerPoint. People also got to dress up in the colour of their favourite planet. By Annabelle and Daisy

Achieve Believe Enjoy

Harrowbarrow v Pensilva

On 14th March, Harrowbarrow School had a football match against Pensilva Primary School. The game started quite evenly, until we scored the first goal and went on to score two more; Rory scored two. Toby also hit it off one of their players and it went in. They started really well in the second half and came back and scored 3 but Harrowbarrow were quick to answer scoring 2 more. Rory scoring another to complete his hat-trick and then Jack scored a goal from a really odd angle; somehow it went in and we won 5-3. By Toby, Liam and Jack. Remember "Believe, Achieve and Enjoy".

Songfest 2023 By: Ava, Lilly Jo and Sophie F

On 8th March 2023, we took a group of Year 6, 5 and 4 choir children from our school. They went to Launceston Town Hall to take part in Songfest; Songfest is where a group of schools participate in singing together. The songs we sang were:

All that Glitters

Being Eight

Tutankhamun

Song of Sirens

Chop and Change

Last Kiss Goodbye

What have the Romans done for us?

Viking Warrior

These are all songs based on different periods in history. Ellie's favourite song was Viking Warrior because it is easy to learn and has fun actions. Taylor said that, "I was very nervous when I first got on the stage because all eyes were on me but when I started singing I forgot that everyone was watching," Phoebe's favourite song was Last Kiss Goodbye because it had a lot more emotion than all the other songs. We really enjoyed ourselves and we also thank Mrs Lane for everything she has done.

Thank you to everyone who took part – it was an amazing evening and the children not only performed brilliantly but their behaviour was fantastic! Thank you also to Mr Hunt for driving the minibs and Mrs Thomson for coming along to help. From Mrs Lane

Dates for your diary

28.3.23 - Football match at home to Furlanesend

30.3.23 - Choir singing to Callington Luncheon Club

30.3.23 - Last day for pupils

31.3.23 - Pupil progress day

18.4.23 - First day of summer term (please note, 17.4.23 is a staff training day)
