Future RNLI Heroes?

We wonder if any of the children have been inspired to become life savers of the future?

Class 1 School Trip

Class 1 went to Looe on Tuesday. We visited Looe RNLI station. Carol and Ian showed us around. We saw a film about saving people and animals. They told us how to stay safe at the beach. Then we looked at the uniforms they wear. Mrs Metters tried on a life jacket which was really heavy. Next we saw the tractors and boats. Our favourite part was climbing into the real lifeboat. Then we went on the beach and built sandcastles, collected shells, found a crab, dug a big hole to cover our feet and some of us had a paddle in the sea. We had the best time ever!

Written by Mrs Metters from words provided by the children.

Y6 Brecon Beacons Residential Update

Unfortunately, Melissa Pinfield is unable to join us on the trip this year, which she is very disappointed about. However, Sam Watts has stepped in to take her place, alongside Andrew Hunt, and our female member of staff will be Hilary Walker.

Before half term, children across school enjoyed a day of learning and celebration to commemorate the coronation of King Charles III. This included dressing up as a monarch or in red, white and blue, learning about some previous and future monarchs and making food for a celebration picnic. Class 1 even turned an old chair into a fitting throne for our very own mock coronation. Thank you to parents and carers for helping out with outfits.
