## **A visit to The Box** By Amber and Lilly-Jo

How would you feel if you were trapped in the Antarctic knowing you would perish in a matter of minutes? Horrible right? Well we learned about Robert Falcon Scott on Thursday 21<sup>st</sup> of September. We had to put on layered woolly clothes that the people in Antarctica had to wear. When we had finished that, the so called 'Layer Man', aka Leo Hall, put on 10 layers of clothing and walked around the whole museum without overheating!! Then we watched a 3D video about the history of Plymouth. After, we went to see some galleries and an art gallery that is making another expedition on Monday. Special thanks to Mr Caboche, Mrs Morley and Miss Kellaway for helping on the day.

Left: Amber models the latest in Antarctic fashion for the 1912 season!

**Achieve Believe Enjoy**

### **Spooky!**

Class 2 children have been learning to use different tools and techniques in art lessons to create mood and feeling in their work. Last week, with a focus on making a house look haunted, they used charcoal to great effect. This is Joey's brilliant effort. Are you scared?

### **Healthy Snacks**

For many years, infant children (Class 1 & 2) have received daily fruit and vegetables through a government funded initiative to provide healthy snacks. These snacks include, oranges, apples, pears, bananas, raisins, tomatoes and carrots. This gives children a healthy mid-morning snack they can have during their break. If junior children (Class 3 & 4) want to have a playtime snack there has always been an expectation they will continue this healthy approach by bringing something suitable from home. However, whilst we have some juniors bringing in fruits and vegetables, we also have a lot bringing crisps and biscuits. To continue the healthy approach adopted in Class 1 and 2, we now request that Class 3 and 4 children only bring healthy snacks for their break. These must be of the same nature as the infants in the form of fruits and vegetables. Thank you for your support with this.

### **Scholastic Book Fair**

Thank you to all those who supported the book fair this week. Whatever the school has taken in commission we will invest in books for the library. We hope your children were able to choose some good reads to enjoy at home.

### **Meet the Teacher**

Thank you to all those parents/carers who were able to attend the recent Meet the Teacher sessions. We hope these were of use to you but if you are ever unsure about anything regarding your child's education, please do not hesitate to contact their class teacher.

---

### **Dates for your diary**

- 11.10.23 - Last swimming session for Class 3
- 12.10.23 - Class 4 trip to Buckland Abbey
- 19.10.23 - Last school day for pupils before half term
- 20.10.23 - Teacher training day - school closed to pupils
- 30.10.23 - First day of school following half term holiday
