

Maypole dancing club KS2

Dear parents and carers,

I am delighted to let you know that I will be running a Maypole dancing club on Wednesdays with the first session starting on **Wednesday 13th March**. The session will run from 3.20pm-4.20pm and the children are welcome to bring a healthy snack to eat before the club starts. The sessions will run for 6 consecutive weeks leading to May day on **Monday 6th May**.

During the club we will be learning two dances to perform on May day at Harrowbarrow village hall so please only sign up to this club if your child will be able to attend this community event. It's always lots of fun and great to see the children shine!

If you think your child would be interested in this club then please complete the form below and return to the office or email me on abi.flashman@harrowbarrow.cornwall.sch.uk. There are limited numbers for this club and it will be on a first come served basis.

Many thanks
Mrs Flashman

.....

I would like for my child.....to take part in the Maypole club starting on Wednesday 13th March for 6 consecutive weeks. I understand that my child must, if possible, attend all the sessions.
