## Songfest Success

### Songfest 2024

On 28<sup>th</sup> of February, the school choir (Year 5 and 6) went to Launceston Town Hall to sing at Songfest. Nine schools attended, including Harrowbarrow. First, the choir practised the songs and found out where we were standing for the performance. After that, everyone there got a t-shirt. The colours were light blue, dark blue and last but not least green. The theme of Songfest this year was sea-shanty. Maybe you were watching your child sing. If they were attending you would have seen the amazing first 30 minutes of entertainment from Launceston College before the choir sang. It was fun; great fun. The choir would not have been able to do it without Mrs Lane being there to help us. By Annabelle & Poppy.

### Old Uniform Request

Do you have any old school uniform from when your child was in Class 1? If so, and you are looking to offload it, please pass it on to Class 1 staff. We usually keep a supply of spare clothes to cover accidents or when children get wet or mucky in the course of their learning. Unfortunately, our supplies have dwindled over the years and we need to stock up again. All age appropriate (age 4-5) school jumpers, trousers, dresses and t-shirts gratefully received.

# Achieve Believe Enjoy

### To Infinity & Beyond!

Class 2 children have been learning about space this term and, as part of their art and craft, they have been designing and making the things they would need for a journey into space. Here, Jacob is sporting the latest in astronaut outfits. As well as his space suit and helmet, he has an oxygen pack to help him breath. Next stop for Jacob, the moon!

## Cross Country Report

On 1<sup>st</sup> March 2024 lots of Year 3, 4, 5, and Year 6 participated in a cross country race. This time it was held in a couple of fields which 2 very kind people let us use for this event. Thanks to Mrs and Mr Diamond. It was a very muddy and a steep course. We all finished and some even beat their records. This was our last race and we all tried our best. We hope that next season we will have even more runners.

When we first arrived, we had a walk around the track (even the parents came along). We got a bit muddy but it did not matter as we were going to get even muddier.

Firstly, it was Year 3/4 girls, next was Year 3/4 boys, after that was Year 5/6 girls and finally it was Year 5/6 boys turn to race.

We would like to say a huge thank you to the people who set up the event and especially Mrs Flashman who has helped us get our stamina up and has come along and cheered us on no matter the weather; she should be proud of herself. By Chloe and Heidi

### Harrowbarrow School Football Team News

The team is currently playing matches in a local school league.

#### Week 1

On Tuesday 20th February Harrowbarrow played Delaware school at the Callington Community College 4G pitch. We went for Mr Hunt's favourite Christmas tree formation (3-2-1). We started the game by playing with simple football, not really attacking that much. In an instant, Jake Prince makes a solid pass to Alfie Taplin and he smashes the ball with all his power. GOAAAAALLLLLL!!!!!! He makes it 1-0 to Harrowbarrow. So Delaware starts off with the kick off and Liam is pressing them very hard now and there we go Liam has intercepted them. He's passed to Jake, he's passed back to Liam and he has put it in the back of the net to make it 2-0. Jake scored a final goal to make the score 3-0. By Alfie and Edison

#### Week 2

On Tuesday 27th February, we went to Callington College 4G AstroTurf to play two matches, one against Callington and the other against Lifton.

##### *Callington match*

The formation we played was the Mr Hunt classic 3-2-1 (aka the Christmas tree). Kick off. We started attacking, shot ... save. Then Callington take the ball up the pitch. Jake, Alfie and Caleb running back to defend and Callington shoot... goal 1-0 Callington. Centre kick, Liam plays it back to Alfie. Alfie passes to Jake. Jake gets tackled. Callington back on attack. 2-0 Callington. Full time.

##### *Lifton game*

Kick off started the game and then the other team scored straight away from kick off. This left the score 1-0. Two minutes later and Lifton scored again. We had a short time to recover at half time. Super coach Mr Hunt changed the formation to a 2 - 2 - 2 and gave us a pep talk. Straight off, we went in for the tackle, won the tackle and Liam had the best shot so far in the game. Shame - it was saved by their goalkeeper. Amazingly, Edison scored taking it to 2 - 1. After this, Jake scored then Liam scored twice to bring the final score to 4 -2. By Liam and Jake.

### Dates for your diary

- 12.3.24 - Science show at village hall
- 13.3.24 - First Lego League group to compete in county championship at RNAS Culdrose
- 14.3.24 - Class 4 attending junior life skills course
- 19.3.24 - Class 2 visiting Discovery 42 science workshop in Bodmin
- 21.3.24 - Year 6 parent/carers briefing for end of year residential
